

EAGS 2024

Environmental and Agronomical Genomics Symposium

February 14-16, 2024
Marthe Condat Auditorium, Toulouse, France

Ancient DNA and Paleo-Environments
Exploring diversity and Evolution of Life
Exploring ecosystems using metagenomics
Technological advances
Genomics of biological interactions
Collaborative science/a window on society
Pangenome and structural variants
Eco-exposome
Genomics of plants and animals and their
microbiota

**Registration
and abstract
submission are
now open!**

Infos and registration:
eags2024.sciencesconf.org

Abstract submission deadline:
15th of December 2023

CONFIRMED SPEAKERS

A. BAUD, CRG, Barcelona, Spain
L. ORLANDO, CAGT, Toulouse, France
J. REVEILLAUD, INRAe, Montpellier, France
A. STAMATAKIS, HITS, Heidelberg, Germany

S. SUNAGAWA, ETH, Zürich, Switzerland
C. VOOLSTRA, University of Konstanz, Germany
C. WELTE, Radboud University, The Netherlands
